

WINE DATASHEET

Vavřinec

Local character. This is what this sparkling wine reflects. Made from a variety that historically forms the foundation of red wines in our region. We don't know many winemakers who process it in this method, so unusual for this variety. For us, it's the "Aligoté of Moravia." A wine that you likely won't find anywhere else. A distinctive expression of a local variety in the world-renowned format of sparkling wine fermented in the bottle.
